

**US Coral Reef Task Force Meeting
Pre Meeting – Guam
Public Portions
September 10 – 11, 2010**

Information Briefing: The Military Build-up and Guam's Coral Resources

Date: Friday, September 10, 2010

Time: 10:00am- 12:00pm

Location: Hilton Hotel Tumon

This information briefing is open to the general public for observation. It is not an opportunity for public comment. Public comment for the FEIS has closed.

Goal: To familiarize CRTF members with the issues related to the various projects associated with the military build-up. The presentation will highlight coral-related issues, potential coral impacts, conservation measures, and mitigation options.

Host: Vangie Lujan, Guam CRTF POC

- Facilitator: Steve Thur

10:00-10:20 Preparing for the Build Up: Guam's perspective on the build up and its potential impacts

- Carlotta Leon Guerrero, Chief of Staff for Lt. Governor of Guam and Chairperson for the Civilian Military Build Up Committee

10:25-10:50 Overview of the Military Build-up

- Captain Peter Lynch, Naval Facilities Engineering Command, Marianas

10:50-12:00 Facilitated Question and Answer session with the CRTF members

Field Trips: 1:00 – 4:00 pm (Open to the public)
